To the members of Ironworkers Local 721:

As we enter the final days of the 2023 election for Mayor of the City of Toronto, I wanted to reach out to you to encourage those who live in the city to exercise your franchise on Monday, June 26th.

It is only by participating in the election that we can ensure the voice of labour is heard by the various candidates seeking this office. I also wanted to take the time to let you know that the Ironworkers have been well served in this regard by the relationship we have had with Mitzie Hunter.

I had the pleasure of lobbying for our training centres alongside Mitzie Hunter and witnessed firsthand her ability to navigate complex issues and create progressive solutions.

I have been consistently impressed by her ability to listen to the concerns of constituents, engage in thoughtful dialogue, and craft much needed solutions that prioritize the needs of the community. I know she has what it takes to be an excellent mayor for this city.

I fully endorse her candidacy and hope you will consider the same when it comes time to cast your ballot.

For information on your voting location for Monday you can check out:

Sincerely,

Kevin Bryenton
President
