UPDATE FROM THE PRESIDENT AND BUSINESS MANAGER

March 16, 2020

RE: OUR CORRESPONDENCE DATED MARCH 12, 2020

During these unprecedented times, as of today the offices of Local 721 and the Training Centre will be closed and limited to only essential operational staff until further notice. Please visit our website www.iw721.org for any further updates. All training, welding, testing, and apprentice classes have been postponed until further notice.

We will look to coordinate and reschedule any and all training as soon as practicable.

In the interim, please note, only essential staff (Front office, Dispatch and Business Agents) will be at the hall to answer any calls or correspondences during normal operating hours 7:30am to 3:30pm. Please feel free to call your Business Agent or the union hall at 416-236-4026 if you have any questions or concerns. Additionally, we will regularly check any correspondence sent by email. Please send any queries by email to info@iw721.org.

We ask in the short term that our members be patient as we try to correspond and update our membership and our signatory contractors as further information becomes available.

We encourage all members and their families to take any and all necessary precautions and listen to any public health responses regarding COVID-19 which may change rapidly.

Fraternally yours,

Luiz Barros
