COVID-19 UPDATE #5

March 18, 2020

RE: Out-of-Province Emergency Travel Insurance

We have had a clarification from the Ironworkers benefit plan's insurance provider concerning out-of-province emergency travel insurance as follows:

Anyone who travelled prior to March 13, 2020 is covered until the end of your trip duration (120 days). If something happens and you cannot get home (e.g. airline cancels flight or border is closed to you), you can get extended coverage by calling Royal & Sun Alliance Insurance Company of Canada (RSA) at English: 1-877-832-6025 and French: 1-888-772-9348.

Anyone who travels after March 13, 2020 is also covered until the end of your trip duration (120 days). If something happens and you cannot get home, you will NOT get extended coverage.

We encourage everyone currently out of the country to monitor the situation closely and visit <https://travel.gc.ca/travelling/advisories> regularly for the most up-to-date information as this situation is changing rapidly.

The benefit plan will be sending out emails to members with this message shortly.

Still looking for update on our Rodman Plan. To be clear this update is for anyone on the Ironworker plan only.

Fraternally Yours,
